## OUESSE AMEDE ADA

has successfully completed the online, non-credit Specialization

# Fundamentals of Flight mechanics

This Specialization covers basics of flight mechanics (concepts and vocabulary), lift and trajectory control, and thrust, drag, and energy management.

A handwritten signature in black ink that reads "E. Poquillon".

Eric Poquillon  
Lead flight test  
engineer, professor of  
flight mechanics  
ISAE-SUPAERO

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
